

# ATTUNEMENT WITH SACRED SOUND

*A workshop intensive in the sacred healing arts*

Friday & Saturday – March 19<sup>th</sup> & 20<sup>th</sup>, 2010

In the peaceful setting of Sunrise Ranch, in Loveland, Colorado

## ***From our evaluation forms . . .***

*"An extra-ordinary experience in working with sound to see how it affects your body mind and spirit."*

*"I am still resonating with what was brought forth through me and others! I am still experiencing it while writing this evaluation three days after the event."*

*"It was fantastic and opened a deeper love of music within me."*

*"Attunement is not only wonderful, it is essential!"*

## ***Seize this opportunity to...***

- Experience the radiant healing power of Love in the Attunement Current.
- Find the stillness zone within and shift frequency.
- Manifest your vision and purpose using sound as a carrier wave for your spirit.
- Fine tune and balance your energy anatomy with the harmonic tones of quartz crystal bowls.
- Electrify your personal creative field through toning and harmonic chant.
- Place and develop your voice ~ discover your personal tonal frequency.
- Learn the steps to engage the real "secret" of manifestation thru attunement with Love.

**\$250** includes workshop and manual. Register by Feb 20<sup>th</sup> for a \$25 discount.

Register online at [www.sunriseranch.org](http://www.sunriseranch.org) or phone (970) 679-4200 to book accommodations or for further information.

Facilitator: Dr. Anthony Palombo, certified attunement practitioner and teacher, and author of *Sacred Anatomy ~ where spirit and flesh dance in the fires of creation*. Dr. Palombo has been exploring the complementary aspects of sound and attunement as an alternative health practitioner and musician for over three decades. His playful, adventurous style fosters an atmosphere for cocreative discovery and sheer magic. (For more information about Dr. Palombo's work, go to [www.healingandattunement.com](http://www.healingandattunement.com))
